Also, the filing of this Information Disclosure Statement should not be construed to mean that a search has been made or that no other material information, as defined in 37 CFR § 1.56, exists. Applicant merely wishes to bring all the information that he is aware of from various sources to the Examiner's attention.

Although the various documents cited here have been reviewed by Applicant's attorneys and/or agents, and in their view, Applicant's claims are distinct, the Examiner is encouraged to make an independent determination.

The items identified in this Information Disclosure Statement may or may not be "material" pursuant to 37 CFR § 1.56 and the submission thereof by Applicant shall not be construed as an admission that any such patent, publication or other information referred to therein is material or considered to be material (37 CFR § 1.97(h)), or even qualifies as "prior art" (under 35 USC § 102) with respect to this invention unless specifically designated by Applicant as such.

Patent  
228/073 (6046-101NA)

The filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information, as defined in 37 CFR § 1.56, exists. The attached Information Disclosure Statement is being filed in accordance with 37 CFR §§ 1.97 and 1.98. This Information Disclosure Statement is believed to be timely submitted under 37 CFR § 1.97(b)(3). Applicant recently submitted an amendment and requested withdrawal of the final action under 37 CFR 1.129 with payment of the associated filing fee. Accordingly, the undersigned assumes that no petition or fee is required. In the event fees are required by the filing of these papers for reasons unknown to the undersigned, it is requested that they be charged to Lyon & Lyon's Deposit Account No. 12-2475.

Respectfully submitted,

LYON & LYON LLP
